

Richard Bohme, DDS, a Dentist with Siebenthaler Dental Center

Get to know Dentist Dr. Richard Bohme, who serves patients in Dayton, Ohio.

Center, Dr. Bohme is a general dentist who has been practicing in Dayton, Ohio for over two decades.

He has been quoted as one of the top General Dentists in all of Southwest Ohio by the largest Dental Supply Company in the United States. He has state-of-the-art technology in his practice to ensure that patients of all ages receive the best dental care possible.

Having built a reputation on “painless dentistry”, patients travel from other cities to be treated in Dr. Bohme’s office because of this. He is committed to maintaining a transparent dental center focused on quality, comfortable care at a cost one can afford.

Growing up in Cincinnati, Dr. Bohme attended Miami University for undergrad, where he graduated in 1987. He then went to attend The Ohio State University College of Dentistry, where he earned his Doctor of Dental Surgery degree in 1991. After dental school, he elected to further his dental training by attending The Medical College of Ohio, where he did a residency in general dentistry, which allowed him to not only practice dentistry in a practice environment but also in a hospital environment.

Remaining at the cutting edge of the dental industry, he is an active member of the Ohio Dental Association and American Dental Association.

Very active in Dayton and in the dental community, Dr. Bohme sits on the Board for the Dayton Dental Society. He also volunteers his time once a month at the state level to represent the dental community for a national non-profit organization.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Outside of practicing dentistry, Dr. Bohme enjoys golfing and spending time with his two daughters.
