

Salasar Balaji Dham's Darshan Possible Through Online Booking

With the collective decision of Mahant Shriram Pujari ji and other temple priests, the authorities have taken the decision to allow only 250 worshipers per day for Salasar Balaji's darshan request token.

Rajasthan, Churu, Jul 2, 2021 ([IssueWire.com](https://www.issuewire.com)) - Salasar Balaji or Salasar Dham is a place of religious importance of Lord Hanuman Ji Maharaj. It is located in Salasar town on NH 65 near Sujangarh (Churu district). Darshan can be done in 1 hour time on normal days except the crowded days of Tuesday and Saturday and during major festivals like Shravan Shukla Navami, Shri Hanuman Jayanti, Ashwin Shukla Chaturdashi, and Bhadrapada Shukla Chaturdashi.

After the lockdown guidelines issued in wake of Covid-19, the temple is now open for the visit from 1st July 2021. Keeping the welfare of the general public in mind and avoiding overcrowding, the temple trust has created an online app for registration and getting the token to visit the temple. Devotees wishing to get the blessings of Lord Hanuman can visit Salasar through online booking.

Those who wish to participate in the darshan should register on the official website of Salasar Balaji or download the app, in which the applicant will be given a token, specifying the date and time to visit the temple. They have also given the option of a Salasar Token App Download which can be downloaded from the official website of Salasar Balaji.

Due to the Covid-19 pandemic across the country, the doors of Salasar Balaji Dham were closed in March. Large numbers of worshipers have long-awaited online darshan registration of Salasar Balaji Dham darshan, but authorities feared the issues of overcrowding and spreading of the virus. Therefore, a collective decision was taken by the temple trust and authorities, to launch the online registration and token system for the devotees, ensuring only a limited number of people visit the temple in a day.

With the collective decision of Mahant [Shriram Pujari Ji](#) and other temple priests, the authorities have taken the decision to allow only 250 worshipers per day for Salasar Balaji's darshan request token. Only the 250 devotees with the token will be able to visit the Salasar Balaji in consecutive timings to avoid overpopulation and the spread of the virus.

Steps For Online Registration And Token

All devotees must first download an online application to register for the Salasar Balaji Mandir darshan. This app is only available for Android users. You just need to open Google Play Store and download the Sidhapeeth Salasar Balaji app or you can also download it from the [official website](#).

- After downloading the app, you will be asked to enter your respective mobile phone number.
- As soon as you enter the number, you will get an OTP. Log in with the OTP to continue registration.
- Along with the registration process, you will see a registration form for Salasar Balaji darshan. Please fill out the full form to get reservation space for Salasar Balaji Mandir Darshan.
- After filling in all the information in the form, find a time slot that is vacant and then submits the form.

- After submitting the form, you will receive a message regarding your token number and the respective times for darshan.

If you are unable to get the desired timeslot, you can also opt for online darshan/live darshan from the social media handle of the temple or from the website.
