Shahin Zartosht published his first public luxury-casual collection

Ontario, Toronto, Jul 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - **SZ** started the first public collection. **SZ** starting July 2021 revealed their first collection. **SZ** is the result of years of experience by **Shahin Zartosht** in the fashion industry. He has experience in modeling, fashion styling, and modeling instructor in many different countries and brands. From 2014 **SZ** was placing orders in private or in person until the designer and its owner of the brand decided to publish its own first and public collection. **SZ** is a Canadian company whose all of its products are handmade in Italy. This brand with its fashionable and also artistic ideas produces casual-luxury products. **SZ** by using styles like gothic, Western Asian, and also European and using two main colors of black and white which is its signature style, created professional and beautiful designs. "You're not only buying a product but you are also buying a piece of art" is the brand's motto. We are expecting to hear more about the **SZ** brand in fashion shows and fashion news in the future.
