Smart Meetings Announces Winners of 2021 Smart Stars Awards

California, Sausalito, Jul 2, 2021 (Issuewire.com) - Smart Meetings, the essential resource for the event evolution, is proud to announce the winners of the 2021 Smart Stars Awards. The prestigious awards platform, now in its tenth year, celebrates meeting planners' choices for hotels, resorts, properties, cruise lines, and conference and convention centers worldwide.

Ranked against hundreds of their exceptional peers, these properties and destinations were hand-selected by *Smart Meetings*' audience of meeting professionals, in 32 distinguished categories, all critical to the success of their meetings and events. New this year, Best Hybrid-Ready Venue and Best Protocol Partner. Since its inception, the Smart Stars Awards have gained notoriety as an essential tool for today's meeting planner community and a valuable resource for those who need recommendations of leading venues and destinations. These remarkable hospitality brands continue to reflect the highest standards of excellence in service, amenities, and customer satisfaction.

"I'm truly honored to acknowledge and celebrate these spectacular brands that continue to serve our community with unwavering excellence and dedication to their services," said Marin Bright, Smart Meetings founder, and CEO.

The 2021 Smart Stars winners will be featured in the July issue of *Smart Meetings* print and digital magazines and will also be showcased on the Smart Meetings website.
