

SportsEdTV Publishes 21st Century Volleyball Expertise As Ultimate Coaching Tool

Dr. Gylton Da Matta, SportsEdTV's Volleyball Sports Director Authored and Edited Eight Other Coaching Expert Contributions.

Florida, Miami, Jul 7, 2021 (Issuewire.com) - SportsEdTV and its renowned Volleyball Sports Director, Dr. Gylton Da Matta have released for publication *21st Century Volleyball Expertise* the first in a series of books designed to address the practice, theory, and advanced volleyball content at the elite level.

While announcing the publication, SportsEdTV Founder and Chairman Robert Mazzucchelli said “this book organizes and focuses on the modern methodologies of practice and innovation, and it is

supported by the reality of modern volleyball in the Nations Volleyball League, Olympic Games, and recent World Championships, and we're proud to have enabled it."

21st Century Volleyball Expertise presents theories on the development of men's and women's volleyball, based on the practical and lived experience of international coach Dr. Gylton Da Matta who served as author and editor of contributions to the work by 9 other elite volleyball experts.

"Gylton Da Matta's passion, interest, and expertise are only exceeded by the near-heroic [life story](#) which brought him to this level," added Victor Bergonzoli, CEO SportsEdTV. Dr. Da Matta also serves as Founder and Chairman of the [SportsEdTV Foundation](#)

21st Century Volleyball Expertise is best for expert coaches and elite athletes. The book presents and reflects upon best practices, coaching expertise, athletes' excellence, higher education, and sports scientific issues.

It is currently available at [Amazon](#), [BookBaby](#), [Scribd](#), MyEbooks, and many other online stores.

About [SportsEdTV](#): SportsEdTV exists to help athletes, coaches and parents LEARN, WIN, and CELEBRATE. We don't expect everyone who uses our learning tools to become a world champion - that's not our mission.

We do expect people who use our educational resources to become their champion, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it's becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness. "

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents, and coaches can interact, connect, chat, share content and find new friends. SportsEdTV videos feature coaching from world-class coaches and athletes - many of whom are or have coached world champions - and have been watched by viewers in every country in the world.
