

Tamer Ghaly, MD, a Pain Management Specialist with Valley Orthopedic Specialists

Get to know Pain Management Specialist Dr. Tamer Ghaly, who serves patients in Shelton, Connecticut.

New York, New York City, Jul 1, 2021 ([Issuewire.com](https://www.issuewire.com)) - With extensive experience in a wide variety of interventional pain management procedures, Dr. Ghaly is in practice with Valley Orthopedic Specialists, operating out of the office in Shelton, Connecticut.

His areas of clinical specialty include acute and chronic pain, joint problems, sports injuries, postsurgical pain, sciatica, spinal stenosis, and other spine disorders. He performs numerous image-guided procedures, including nerve blocks, spine injections, radiofrequency ablation, spinal cord stimulation, and advanced injections to relieve pain in all areas of the body.

Valley Orthopedic Specialists is a full-service orthopedic practice dedicated to complete musculoskeletal care. With both general orthopedic surgeons and fellowship-trained specialists in total joint replacement, foot and ankle surgery, hand surgery, pediatric orthopedics, and sports medicine, it is the area's most comprehensive orthopedic surgery practice.

Alongside his position at Valley Orthopedic Specialists, Dr. Ghaly has been affiliated with Chase Medical Research since 2019 and is a physician investigator on their osteoarthritis research studies. He collaborates with Joseph Soufer, MD in offering clinical trials to people in the greater Waterbury area.

In the past, he has been affiliated with Saint Mary's Hospital, Fairview Hospital, VA Connecticut Healthcare System, Charlotte Hungerford Hospital, and Waterbury Hospital.

In regards to his educational background, Dr. Ghaly completed his undergraduate and medical degrees at Cairo University in Egypt. Upon relocating to the United States, he finished his residency at Brookdale University Hospital, followed by his fellowship at the University of Pittsburgh Medical Center.

Excelling in treating chronic and acute pain, he is board-certified in pain medicine and anesthesiology by the American Board of Anesthesiology (ABA). As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance the lifelong learning and exceptional patient care. Its mission is to advance the highest standards of the practice of anesthesiology.

On a professional level, Dr. Ghaly is a member of several medical organizations, including the American Society of Interventional Pain Physicians, the Connecticut Pain Society, the American Society of Anesthesiologists, and the American Medical Association.

Pain management is a branch of medicine employing an interdisciplinary approach for easing suffering and improving the quality of life of those living with chronic pain. A pain management specialist is a doctor who specializes in pain medicine, focusing on the evaluation, treatment, and prevention of pain.

As a testament to his quality patient care, Dr. Ghaly was awarded the Patients' Choice Award in 2020.
