

The future is bright for females who crypto!

CryptoChics is bringing the world of Cryptocurrency the moon!

United Arab Emirates, Dubai, Jul 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - According to BusinessInsider.com, women only make up 15% of Bitcoin traders, highlighting the crypto worlds glaring gender imbalance. CryptoChics is on a mission to educate and inspire females to get involved.

Franki Russell and Brittany Bloomer have combined forces, to launch an informative YouTube Channel, with a mission to educate and inspire more females to get involved in the Crypto space.

The combination of these two determined crypto influencers is to pioneer change in a male-dominated industry. Their channel is already making big waves in the Crypto space.

CryptoChics incorporates interviews and advice from leading industry experts and investors like Mathias Grønnebak, one of the Founding members of Ethereum, who shares his journey on how the whitepaper formed and his views on it now.

Other key speakers range from Mark Moss, who reveals the history of the dollar and how it contributes to the financial shift towards digital currency to Alex Gladstein from the Human Rights Foundation, sharing his insight onto how Bitcoin provides freedom to individuals.

Da Vinci Jeremie has also shown his support by launching the girl's channel with them in a sit-down interview sharing the basics of Crypto. Jeremie was an early investor known for his viral video encouraging everyone to buy just \$1 of Bitcoin 10 years ago.

The channel is filmed in Dubai, a city that has recently built and established the DMCC Crypto Centre, providing licenses to crypto-based companies and is fast earning the reputation as the new hub for Cryptocurrency. This initiative was led by Ahmed Bin Sulayem the Executive Chairman and CEO of DMCC in partnership with the newly launched CV Las, which is a thriving ecosystem, offering a variety of services to innovators, entrepreneurs and pioneers.

CryptoChics provides a safe and genuine platform for women worldwide to learn about Crypto and bridge the gender inequality in the field.
