

## The Music Video 'On The Blocc' by Rapper Geo Nolove Creates a Powerful Rhythmic Ripple in the Hip Hop Scene

The hit music video 'On The Blocc' by upcoming rapper Geo Nolove introduces a wave of new-age trap tonality mixed with his pummelling rhyming schemes.

**Arlington, Jul 14, 2021 ([Issuewire.com](https://www.issuewire.com))** - The new hybrid form of hip hop embedded with trap beats has earned a lot of attention from music lovers across the globe. Stepping into the music biz with high potential, the newest addition to the genre **Geo Nolove** showcases his unmatched rhyming techniques through his thoughtfully established soundscape. He has recently dished out another hit banger, '[On The Blocc](#)' on major streaming platforms. The track presents incredible artistic craftsmanship through its carefully arranged chords and progressive rhythms that create a smooth flow of the groovy rhythms. The song accompanied by a brilliant music video offers few minutes of complete entertainment to the listeners. The tonal delicacy of the flawless symphony leaves a tantalizing taste in the minds of the viewers, along with the visual treat.

The multi-talented hip-hop artist has achieved great heights in his musical career at this young age. He had developed a knack for the genre in his childhood. Being surrounded by different musical

influences he grew up listening to his favorite artists. It has pushed him to become a professional rapper and express his individuality through his unique creations. He did not stop at making hip-hop songs following the traditional structures. He experimented with different beats and came up with an unparalleled rendition that has the best elements of both trap and rap. His music has earned his vast recognition and popularity in the hip-hop community in a very short period. He has been able to impress the listeners with his amazing talent and dedication to the art of music-making.

The young and aspiring hip-hop artist is talented enough to bring a change in the current hip-hop domain with his unapologetic lyrics and hard-hitting rhythms. His genre-bending creations have earned him a good reputation among his peers. **Geo Nolove** presents his true thematic dexterity in his latest music video, '**On The Blocc**'. The track has received more than 18k views in just a matter of time. He has also shown great possibilities in his previous creations such as 'Mask up', 'Me and my niggas', 'Foreign', 'Riding The City', and more. Follow him on YouTube, [Twitter](#), [Facebook](#), and [Instagram](#) for more updates.
