

The Outie Tool and UKCA (UK Conformity Assessed) Marking

Outie Tool has both UKCA and CE Marking.

California, San Diego, Jul 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - **The Outie Tool**, an aligner removal tool produced by Nadine and Co. LLC is now compliant with UKCA (UK Conformity Assessed) marking. UKCA is the new UK product marking that is used for goods being placed on the market in Great Britain (England, Wales, and Scotland). It covers most goods such as medical devices which previously required the CE marking, known as 'new approach' goods.

The Outie Tool also has CE marking for markets in Europe and NI. Dental distributors, dental offices, and retail customers value safety and can be confident in purchasing, reselling, and distributing the Outie Tool.

The Outie Tool is available for purchase on [Outie Tool](#), [Amazon](#), Walmart, [DRC NZ](#), [TOC Dental](#), Protech Dental, Shaw Group, Darby, Fabdent, [NAOL Australia](#), ClearCorrect, Plus Dental, Dentakit, and Supply Clinic.

The Outie Tool is the premier aligner removal tool with over 4.5 million sold worldwide. Trusted by dental professionals, leading aligner companies, and aligner patients since 2009.
