**SHOP NOW**

**California, San Francisco, Jul 19, 2021 ([Issuewire.com](http://Issuewire.com))** - World-leading Korean dash cam brand **THINKWARE** today announced new dash cam discounts as many Americans take to the roads for summer vacation. From July 19th to August 8th, discounts on THINKWARE's top dash cams can be found on its website, Amazon, Best Buy, and other select online specialty retailers.

At various times during the promotion, the following models are on sale, including:

- **U1000:** The flagship U1000 delivers sharp native 4K UHD video quality. It can also be accessorized with a 2K QHD rearview camera and hardwiring cable for complete, best-in-class 24/7 all-round protection on the road
- **X1000:** The latest touch screen dash cam from THINKWARE, featuring front and rear 2K QHD (Quad High Definition) recording, Ultra Night Vision 3.0, and Ultra-low Power Parking Mode Technology.
- **Q800 PRO and QA100:** A high-end dash cam capable of recording in 2K QHD 1440p and road safety warning system supported.
- **X700:** Equipped with easy to navigate touch screen, full HD two-channel, advanced driver assistance, parking surveillance mode, and more.
- **F200 PRO:** One of the newest dash cams from THINKWARE, this versatile dual-channel dash includes features such as Super Night Vision, time-lapse photography in parking mode, and a full HD rear camera.
- **FA200:** A versatile dual-channel dash cam with built-in Wi-Fi.
- **F70:** Save on this entry-level dash cam featuring the latest Energy Saving Parking Recording Mode.
- **M1 Motorsports Cam:** A deal for outdoor enthusiasts, the M1 is for motorcycles, ATVs, and UTVs, and comes equipped with 2-channel full HD cameras with Advanced Electronic Image Stabilization.
- **iVolt Mini External Battery:** Compatible with all THINKWARE models, the iVolt Mini External Battery increases the duration of the Parking Surveillance mode, allowing it to remain in parking mode for up to 20 hours, or 16 hours with a rear cam added.

The following models and accessories will be on sale during these limited timeframes:

- **On sale July 19-25:** F70, FA200, X700, F200 PRO, Q800 PRO, U1000, QA100, X1000
- **On sale July 26-August 1:** F70, FA200, X700, F200 PRO, Q800 PRO, U1000, QA100
- **On sale August 2-August 8:** FA200, X700, F200 PRO, Q800 PRO, U1000, M1, QA100, X1000, iVolt mini external battery

“As people gear up for vacation this summer, their vehicles won’t be taking time off. To prepare for those longer trips, it’s a great time to do a check of your vehicle’s safety and net a great deal on a THINKWARE dash cam in the process,” said Brian Yang, THINKWARE’s Director of North American Business Development. “When planning your summer trip, THINKWARE dash cams should be at the top of the list of items to have, packed with the latest technology and advanced features that offer peace of mind while driving to your favorite summer vacation getaway.”

## About THINKWARE

Global IT Corporation THINKWARE DASH CAM was founded in Korea in 1997. Through consistent

research and development in the field of smart car technologies, THINKWARE DASH CAM has established itself as the market leader in various sectors such as dash cams, electronic maps, navigation, mobile applications, and Car Device.

Spearheading the competition with world-class image processing technologies and an intuitive, user-friendly interface, THINKWARE DASH CAM debuted in the US market in 2014. THINKWARE DASH CAM has confirmed it will be exporting its DASH CAM lines into 17 other countries including the US, Canada, UK, and Japan.

THINKWARE DASH CAM has continued to astound the industry with its world-class DASH CAM lines during its presence at global exhibitions like CES, SEMA, and The Gadget Show Live. For CES 2017, the world's largest consumer electronics show, THINKWARE received the Innovation Award of the Year for excellence in technology and design. The company has also received the IF, IDEA, and Red Dot Design Award.
