

This Company is Transforming the Interior Design Scene in India

Karnataka, Bengaluru, Jul 30, 2021 ([Issuewire.com](https://www.issuewire.com)) - **Cee Bee Design Studio** is on the verge of a breakthrough success story, having recently won the prestigious TIME2Leap Awards in not one, but two categories. They have added another feather to their cap by being awarded the title of 'Top 3 Best Interior Designers in Kolkata' by ThreeBestRated.

Chitralekha Biswas, an interior designer and the owner and CEO of an interior design firm, has completely transformed the design industry with some of the [best interior designers in Bangalore](#). Her highly regarded firm has offices in four cities across India.

Cee Bee Design Studio, which has offices in Bangalore, Kolkata, Goa, and Hyderabad, has achieved some ground-breaking results thus far. This woman-led company added two TIME2Leap Awards (under the MSME initiative of the Government of India) to their already impressive list of accomplishments. First in 'Leading Design Firm of The Year Pan India Award of Excellence' and second in 'Entrepreneurship Award of Excellence- Ms. Chitralekha Biswas'.

Cee Bee Design Studio specializes in professional home solutions with Indian roots and European English decors. Their **top interior designers in Bangalore** have achieved the equilibrium of modern luxury while retaining the genuineness and poignancy of each project. Once you look at the projects completed by this firm, you get a sense of individual belief and dedication.

Ms. Biswas has been the firm's foundation and beacon over the years. As a successful female business owner, she has not shied away from empowering other women. She is an inspiration to all women who want to make their own way and become entrepreneurs. Chitralekha Biswas and her firm Cee Bee Design Studio are poised to leave a fabulous lineage.

This pan-Indian interior design firm has quickly become the city's current favorite. Among all the **interior design firms in Bangalore**, they also feel like a refreshing change when accompanied by top-quality luxury services. All of their work is one-of-a-kind and curated in-house by their successful squad of interior designers.

Chitralekha Biswas is not only shattering glass ceilings but also breaking the monotony of interior design trends. Take a look at their YouTube channel to get a sense of the scale and magnitude of the powerhouse that their projects truly are. Whether it is just a consultation or a full-fledged project, this interior design firm leaves no room for doubt in making their work remarkable in accordance with the clients' preferences.

It would not be incorrect to say that in the twenty-first century, Cee Bee Design Studio is on the verge of becoming the new trailblazer and forerunner of interior design throughout India. You can view their work on their website projects or even on their YouTube channel.
