

‘Touch My Light’ By BIG MOUNTAIN Portrays the Beautiful Jamaican Music with an Empowering Message

BIG MOUNTAIN hits back with yet another significant Jamaican sound ‘Touch My Light’ that perfectly highlights their assorted musical features to make it memorable.

California, Ventura, Jul 13, 2021 ([Issuewire.com](https://www.issuewire.com)) - Nurturing a sound that feels partly Reggae and partly pop-drenched, an American band that is garnering all the attention with their exotic Reggae musical pieces is **BIG MOUNTAIN**. Quino - lead vocal/guitar, Paul "GrooveGalore" KasticK - drums, James McWhinney-vocals and percussions, Mikey B Ortiz - Bass, Richard "Googy" Campbell -

Keyboards and Chizzy Chisholm - guitar/back vocals, the group composes exciting pieces that immediately captivates the attention. The band introduces a commercialized version of Jamaican music to mainstream American music and plays with various R&B styles to create excellent melodies.

Featuring Rasun, the group has recently launched their new single '**Touch My Light**', which is another piece of catchy, eclectic, and bright composition from their wide catalog. The song has a very merry vibe and the lead vocals engulf the attention completely as the melodies soothe the soul simultaneously. A brilliant single to get lost in, the verses are closely stitched with perfection and evokes heartfelt emotions in the listener. Every word intrigues the listener and connects effectively for its authenticity. As the song progresses, the chorus takes over and creates a beautiful harmonic balance.

BIG MOUNTAIN has quickly established its name as a global hit by attaining success on the commercial pop charts. The group has made headlines two times at the Reggae Sunsplash Festival in Jamaica and is gearing up to reach new heights with their latest song '[Touch My Light](#)'. A very empowering and honest track, the project is peacefully arranged with various instrumental sounds that profoundly immerse the listener. It's a beautiful example of classic Reggae infused with unique pop qualities, the song is now available on [Spotify](#) and [YouTube](#).
