Logan, Jul 2, 2021 ([IssueWire.com](http://www.IssueWire.com)) - Upcoming music artist **Metaphor** presents a beautiful scope of lyrical and musical magnetism with his strong and powerful soundscape. He recently came out with the song, '[W/OUT U](#)' that presents a relatable saga of everyday loss and sacrifices. The artist imbibes the spirit and techniques of alternative rock music that allows him to express himself without

restrictions. His creative and thematic honesty brim through the entirety of the track making him emerge as the reigning creator of the song. The outcome of the production resonates with a passionate and energetic progression that motivates the audiences to open up their perspectives as well.

The [Logan alternative rock artist](#)'s efficiency lies in his ability to outperform himself in each song at the time. **'W/OUT U'** is his latest contribution to an excellent soundscape that he aims to expand in the years to come. His use of modern structures and captivating riffs add to the slowly-changing dimensions of rock. His knowledge and continuity are also prevalent in his music that allows him to go into the depths of creation and music. His fondness for a thematic lyrical verse also allows him to convey his thoughts to his audiences. The song is gradually garnering widespread attention for its honesty and creative humility.

Artist **Metaphor** is originally named Thayne Hovey who is the newest kid on the alternative rock block. The artist is new to the industry with only a few songs to his name but an endless potential. His other songs include 'Immune' and 'Suffer In Love' which continue the thematic thread in his soundscape. The artist produces raw energy that cannot be subdued by anything as he constantly improvises and improves his creative abilities. If your playlist to get enriched by the contemporary strains of alternative rock modules, listen to his music on Soundcloud. Stay updated to his latest releases by following him on [Instagram](#).
