McKinney, Jul 12, 2021 ([Issuewire.com](https://www.issuewire.com)) - Providing a sublime texture of hip hop music, [Knight](#) dropped latest album 'Activated'. The album is made with utmost care along with a brilliant production to provide listeners some unique and new. There are a total of nine bangers in the album and each of them carries an ample amount of creativity and psyche of the rapper. The opening track '**W.M.T.F.**' makes a great kick-start of the album with grit, clarity and weight. The artist's melodic rapping style and poetic world play is perfectly complemented by a dicey musical arrangement. Digital grooves and bass-soaked hefty beats provides enough room for the rapper to meander

through with his rapping style. Quickly followed by the next track '**Takers**', the album keeps surprising everyone.

The track '**Takers**' has a intriguing subject matter with is represented with a flawless delivery of rhythmic and lyrical flow. Intentional double timing, fast verses and emotive lyricism make this banger stand out. The other tracks from the album 'Activated' has similar intensity and a dynamic essence of hip hop just like the lead single '**W.M.T.F.**'. Some of the other hits are 'Pressure', 'The Theory', 'Trust Me', etc to name some.

Just like his name, he is the **Knight** of the hip hop music industry and progressing significantly with each release. He has collaborated with Chinny, Troy, H.A.Y.D.EN, Charlie Lessons and Kuda to create this masterpiece album. Their united musical effort reflects through each track.
