Upcoming Singer-Songwriter Tony Aka Lion Pharaoh's Latest MV, 'Country Women' is the Whole Package of Entertainment

Multi-talented hip hop artist Tony Aka Lion Pharaoh successfully satisfies the audience with his robust rhyming skills and witty lyrics in the music video, 'Country Women'.

Chicago, Jul 2, 2021 (Issuewire.com**)** - The hip-hop genre has always proved to be the most eloquent and bold musical form featuring the truest emotions of the artists. The youngest artist on the block is **Tony Aka Lion Pharaoh** has stepped into the scene with his highly entertaining and witty

lyrical ballad, **‘**Country Women**’** which exudes a much deeper meaning. His voice is extremely dreamy and addictive. Thus his vocal performance lingers in the mind for a long time. The power-packed yet chill rap verses along with the catchy hook create an ambiance of pure ecstasy. The song is accompanied by a music video that represents his exuberant persona, Full of life and positivity. He has portrayed his truest thoughts and emotions in the song in the most creative and original way possible through these dynamic visuals.

Hailing from the south side of Chicago, the highly talented artist is a self-taught musician who has been an avid follower of hip hop music from his childhood. While living in the hood he learned how to play piano all by himself. He showed excellent talent at memorizing Chopin, Mozart, Franz Liszt, and more. He used to play these classical pieces without learning how to read the notes. The influences of classical music have affected his hip-hop soundscape for the best. He has formed quite a number of brilliant melodic pieces that are rich in diversity and nostalgic resonance. It separates him from the crowd and attracts the attention of the global hip-hop community.

Driven by his passion for expressing his mind, the brilliant musician has been delivering moving musical creations that have a huge impact on the listeners. His latest music video, **‘Country Women’** from the album, ‘Ancient Tomb's Of The Lion’ is the epitome of thematic excellence in terms of its groovy rhythms and hard-hitting rhymes. **Tony Aka Lion Pharaoh** is already a respected rapper due to his previous creations such as, ‘**Take It Off**’, ‘**No Going Back**’, ‘**La Cucaracha**’, '**Shoot For The Stars**', and more. All of his songs have a distinct flavor that surprises the audience. Listen to his music on YouTube, **Spotify**, and iTunes. Make sure to follow him on **Twitter**, **Facebook**, and **Instagram** for more information about his future works.
