

We Da People's 4th July Free Da Block Mansion Party in Los Angeles Opened New Scopes for the Youths

California, Beverly Hills, Jul 6, 2021 ([Issuewire.com](https://www.issuewire.com)) - We Da People are back this summer with their Free Da Block Mansion Party in Los Angeles. The event, which took place on the auspicious occasion of the 4th of July, American Independence Day was a fun-filled afternoon complete with various activities, performances, programs, games, and more.

We Da People actively organized this community event. The vent is a block party that is dedicated to

expanding various resources for the Black American Youth. The event also provides a safe space for all of the Black Community to establish networks and relationships between them. The event also takes place in other areas of the US such as New Orleans, Atlanta, Philadelphia, Chicago, Minneapolis, and Washington DC.

The fun-filled afternoon saw everyone enjoying free barbeque, jumpers and games, haircuts, and many other things. These activities not only liberate the community but also allow them to come together through mutual bonds. There were groceries and backpack giveaways that elevated the cultural and recreational scopes of the event to new degrees. Vendors at the event selling interesting merchandise also contributed to the collective recreation and fun.

The block party took place between 1 pm and 5 pm and had various special performances, activists, and speakers motivating the youth to move forward with their dreams. One of the main events of the party was the Freedom Fighter Recruitment and the Little League Activist Recruitment which opened doors of endless opportunities and a direct chance to serve the nation through a prestigious representation. Scholarships enabled many youths to realize their dreams without worrying about financial deposits.

We Da People is a partnership of organizations with a common aim to work towards the improvement of the Black community. Led by a team of prolific black young leaders, they are helping youths to accept their identity and move towards their goals. Giving both community and educational resources, their youth summer programs help young men and women to get the best guidance towards a successful future. An initiative that knows no bounds, they are some of the most dynamic people who are focused on making the country a better place for everyone.
