

Andrea B. Clement, FNP-BC, a Board-Certified Family Nurse Practitioner with Primary Children's Hospital

Get to know Board-Certified Family Nurse Practitioner, Andrea B. Clement, who serves patients in Salt Lake City, Utah.

New York, New York City, Aug 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - Specializing in family medicine and pediatrics, Andrea is a board-certified family nurse practitioner at Primary Children's Hospital.

A part of Intermountain Healthcare, Primary Children's Hospital is a nationally ranked pediatric acute care children's teaching hospital located in Salt Lake City, Utah. The hospital has 289 pediatric beds and is affiliated with the University of Utah School of Medicine.

Back in 1991, Andrea graduated with her Bachelor of Science in Nursing degree from Weber State University. Many years later, she went on to earn her Master of Science in Nursing degree (Family Nurse Practitioner Program) from Westminster College in 2020.

In order to stay up to date in her field, she remains an active member of the American Association of Nurse Practitioners and the American Nurses Association.

A Board-Certified Family Nurse Practitioner (FNP-BC) holds board certification and provides continuing and comprehensive healthcare for the individual and family across all ages, genders, diseases, and body systems. FNP's maintain patient records, perform physical exams, order or perform diagnostic tests, prescribe medications, develop treatment plans, as well as treat acute and chronic illnesses, conditions, and injuries that fall under primary care.
