

## **Arthur W. Sagoskin, MD, FACOG, an OBGYN Physician and Reproductive Endocrinologist with Shady Grove Fertility Center**

Get to know OBGYN Physician and Reproductive Endocrinologist Dr. Arthur W. Sagoskin, who serves patients in Rockville, Maryland.

**New York, New York City, Aug 30, 2021 ([Issuewire.com](https://www.issuewire.com))** - Dr. Sagoskin is a board-certified obstetrician and gynecologist and reputable reproductive endocrinologist and infertility expert. He is the co-founder and managing director of the Shady Grove Fertility Center in Rockville, Maryland, which he established in 1990 alongside Dr. Michael Levy. He has extensive expertise in reproductive endocrinology, including in in-vitro fertilization, infertility, and operative laparoscopy.

Dr. Sagoskin is also a clinical assistant professor in the Department of Obstetrics and Gynecology, the Division of Reproductive Endocrinology and Infertility, at Georgetown University School of Medicine in Washington, DC. He maintains hospital privileges at several local hospitals, including MedStar Health, and is licensed to practice in Virginia, Pennsylvania, Maryland, and the District of Columbia.

He attended MCP Hahnemann University School of Medicine, now Drexel University College of Medicine, in Philadelphia, Pennsylvania, and received his medical degree in 1978. He then completed his residency in obstetrics and gynecology at the Allentown Affiliated Hospital-Lehigh Valley Hospital Center in Pennsylvania (1978-1982). For his undergraduate education, he went to Temple University and acquired a Bachelor of Arts degree in Psychology in 1974.

Following the completion of his formal training, Dr. Sagoskin received board certification in obstetrics and gynecology from the American Board of Obstetrics and Gynecology (ABOG). The mission of the ABOG is to define standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

Reproductive endocrinology and infertility is a surgical subspecialty of obstetrics and gynecology that trains physicians in reproductive medicine to address hormonal functioning as it pertains to reproduction as well as the issue of infertility.

Prior to establishing Shady Grove Fertility Center, Dr. Sagoskin served in the Commissioned Corps of the US Public Health Service/Indian Health Service in Tahlequah, OK (1982-1984), and also a partner in the Fertility Center, a private practice in Rockville, Maryland (1984-1990). Listed among Washingtonian's Top Doctors for Infertility (1998-2019), he was also named among Best Doctors for many years (1998-2014).

A Fellow of the American Congress of Obstetricians and Gynecologists, Dr. Sagoskin is an active member of the American Society for Reproductive Medicine, the European Society of Human Reproduction and Embryology, the Society of Assisted Reproductive Technology, and the Society of Reproductive Surgeons.
