

Augustine Kazadi Kabongo, MD, a Hospitalist with Genesis Medical Center

Get to know Hospitalist Dr. Augustine Kazadi Kabongo, who serves patients in Iowa.

New York, New York City, Aug 4, 2021 ([IssueWire.com](https://www.issuewire.com)) - A well-versed hospitalist specializing in internal medicine, Dr. Kabongo is in practice with Genesis Medical Center, operating out of their offices in Iowa.

In 1869, the predecessors of Genesis Health System gave birth to the third community hospital west of the Mississippi. More than 150 years later, it continues to grow, building relationships with generations of families, contributing to the community, broadening services throughout the Quad Cities region, and bringing new heights of excellence in health care.

Educated in the Dominican Republic, Dr. Kabongo graduated with his medical degree from the Faculty of Medicine at the University of Lubumbashi. He then relocated to the United States, performing his residency at Jersey City Medical Center.

A member of the Society of Hospital Medicine, he is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Hospital medicine is a medical specialty that exists in some countries as a branch of internal or family medicine, dealing with the care of acutely ill hospitalized patients. Physicians whose primary professional focus is caring for hospitalized patients only while they are in the hospital are called hospitalists.
