

Change Careers With Confidence With THIS Free Interview Workshop

Atlanta's Interview Coach, CoachTCP, is Taking The Interview Activator Across America

Georgia, Atlanta, Sep 1, 2021 (Issuewire.com) - [Travis C. Patterson](http://TravisC.Patterson), Atlanta's Interview Coach, is hosting the Interview Workshop titled "[The Interview Activator](http://TheInterviewActivator.com)." This Interview Workshop is proven to:

- *teach job candidates how to change careers on purpose*
- *become confident and irresistibly attractive to recruiters*
- *start a new job that is loved, sooner*
- *and lastly, increase job offers, so candidates get paid what is deserved.*

This [author](#) and NAACP award winner has been teaching people how to best prepare for and execute job interviews since 2009.

Organizations like [Yahoo](#), Georgia's Department of Labor, [CBS](#), and [FOX News](#) have featured his advice and strategy on social media and media sites, [including on TV](#). To help more people find success in their search for employment, Travis invites you to access the workshop located at TheInterviewActivator.com.

[The interview workshop](#) is open to job candidates of any level and industry who would like to learn about increasing the number of interviews they are getting with hiring managers and stop settling for unwanted jobs. In addition, the workshop will uncover interview secrets such as learning how to get a raise without asking for it, how to fill up an interview calendar with interviews and voicemail boxes with job offers, how

to change careers at any stage of your career, and much much more!

Travis founded PRR Training & Consulting, LLC. The career-focused organization is a Georgia-based career & interview coaching organization with a focus on training. The Interview Accelerator is an Edu-Tech or Education Technology training that improves the candidate experience during the interview process. The Interview Activator training is effective before the interview process to help candidates become more attractive to recruiters and hiring managers in the marketplace.
