

Clinic Dermatech Celebrates 15 Years Of Transforming Lives Through Its Range Of Innovative Cosmetic Solutions

The chain of cosmetic clinics has been providing technology-based cosmetic dermatological solutions to help people improve their appearance and restore confidence for 15 years.

Delhi, New Delhi, Aug 10, 2021 (Issuewire.com) - [Clinic Dermatech](#), the first technology-based chain of cosmetic dermatology clinics in India, announces yet another milestone as it **celebrates 15 years of excellence**.

Founded in 2006, the company has established itself as the first state-of-the-art skin and [hair clinic](#) in the country in a short span, owing to its introduction of some of the world's best aesthetic technologies. Through its cosmetics procedures and dermatology services, it has been helping thousands of people across India regain confidence and boost their appearance.

As Clinic Dermatech celebrates its past, it looks to the future, promising to advance further that will make skincare more affordable and effective. It also dedicates its success to all its customers and the devoted team who made it possible.

In these 15 years, Clinic Dermatech has made continuous progress on its success charts, with a series of unique campaigns and a gamut of innovative product and service launches. The entire Clinic Dermatech team has worked together with the common goal of rendering superior services with utmost safety, care, and efficacy.

Dr. Geetika at Clinic Dermatech said, “We consistently strived to enable our beloved clients with self-confidence as they achieve their goals in the quest for self-enhancement, aesthetics or otherwise. As hard work always pays off, the name 'Clinic Dermatech' is now recognized across the country synonymously with most advanced skincare technology providers.”

When asked about the 15th anniversary, she continued, “This is a big day for all of us, and we are grateful to our team, clients, customers, and everyone who supported us in this journey. We couldn't have done it without the constant support and trust they have shown in our brand for 15 years. We want to celebrate this day with everyone associated with Clinic Dermatech. So, we are announcing a special offer on select procedures and treatment, to help them enjoy most of our service lines and give us an opportunity to serve them. Rest, we wish to do our best to serve our customers in the best manner possible, through thick and thin.”

To commemorate this special occasion, Clinic Dermatech has launched an exclusive offer for their 15th Anniversary celebrations. Under this **offer**, all [customers booking](#) new packages with Clinic Dermatech will automatically qualify for complimentary services worth 15% of their invoice value. What's more, clients are free to choose from a range of world-class aesthetic solutions such as laser hair reduction, laser toning, targeted skincare, body shaping, and many others.

Clinic Dermatech wishes to encourage its valued customers to be a part of its festivities throughout the year. Hence, the offer shall run for the next 1 year starting now. This is excellent news for those who are considering getting dermatological and surgical solutions to improve their appearance or manage

existing problems, such as unwanted hair, stubborn fat, hair fall, acne, and others.

Over 15 years, the company has created a paradigm shift in the [skincare and cosmetology industry](#) by introducing its range of innovative solutions catering to every skin and body type. Since their inception, they have benefited more than a hundred thousand individuals, and because of their constant hard work, it has been recognized as the most awarded cosmetic dermatology clinic in North India.
