

‘Do You Wanna’ by Teon ft 3fifs Offers Catchy Hip Hop Vibes to Groove Endlessly

Teon ft 3fifs has come up with a refreshing new music video titled ‘Do You Wanna’ that proves he is no ordinary and reflects impressively on his emotional side.

Florida, West Palm Beach, Aug 5, 2021 ([IssueWire.com](https://www.IssueWire.com)) - An artist who uses his creative freedom to curate hip-hop music that reassures his position in the industry is **Teon**. The rising hip-hop star has already made quite a name for himself by presenting the unique skills that portray him as one of the freshest voices in today's time. The artist has a profound clarity in his voice allows the audience to participate in his impressive storyline and the budding powerhouse of talent keeps them hooked with his innate rap talent. The artist has always given numerous reasons to the people to appreciate his music and has done it yet again with his latest production Ft 3fifs titled '[Do You Wanna](#)'.

The video starts with four friends who are seen playing billiards and enjoying their leisure time. Everything was fine until they spotted a charming young girl outside, who was jogging outside in the sun. So far there wasn't any hitting instrumental melody, but things changed when the rapper was spotted going out and ask the girl to join them. Keeping it casual, in low-waist denim, and a white vest, the stylish rapper geared up his pace and started performing with attitude. Progressing with a catchy tempo, the artist was soon spotted in a room full of girls as he kept his focus straight to narrate the story with immense passion. His clever wordplay coupled with the gorgeous rhyme schemes doubled the impact and the accompanying video only made it more exciting for the audience to stay hooked. The two girls in the video namely gassed up bunny and KitKat.cat, have performed remarkably well to complement the rapper's powerful storyline. Their body language remains flirty but their attitude is on-point to set the bar high.

It only makes sense for **Teon** to ride high on the hip-hop charts this year. The artist has showcased a lot of dedication, rawness, and originality in his latest music video that is sure to bless him with the deserved amount of recognition. '**Do You Wanna**' offers an evocative audio-visual experience to the hip-hop audience who must be thrilled with the artist's unapologetic style and the lingering melody line that keeps the rap entity grounded. The song offers a lot of groovy hooks and the dreamy rhythms that remain scattered throughout the scene add up to its infectious essence. The track flows with a faultless rhythm combined with lo-fi beats that let the listener groove to its soundscape. The young and prolific artist has always managed to engage his fans by penning down original compositions with raw emotions, and the latest music video is no different. The artist is connected to the labels All In Entertainment, Slip N Slide, and strives to create hip-hop tunes that overwhelm his listeners. Teon 3fifs and Bloopie will be soon dropping a video called Baja. Till then watch the exciting new video on [YouTube](#) and follow him on [Instagram](#) for more updates.
