

Elise Hoff, MD, a Pathologist with Walter Reed National Military Medical Center

Get to know Pathologist Dr. Elise Hoff, who serves patients in Bethesda, Maryland.

New York, New York City, Aug 24, 2021 ([IssueWire.com](https://www.issuewire.com)) - Well-versed in the field of pathology, Dr. Hoff is affiliated with the Walter Reed National Military Medical Center in Bethesda, Maryland. She specializes in cytopathology, anatomic pathology, and clinical pathology.

The Walter Reed National Military Medical Center is America's academic health center and the global leader for military medical readiness, providing extraordinary care to those who are privileged to serve. It provides innovative patient-centered care and advanced quality, education, and research.

Regarding her educational background, Dr. Hoff earned her medical degree from The Ohio State University College of Medicine in 1998. She then went on to complete her residency in anatomic and clinical pathology with the Cleveland Clinic Foundation in 2003.

Licensed to practice medicine in Maryland and Ohio, she is board-certified in cytopathology & anatomic and clinical pathology by the American Board of Pathology (ABPath). The mission of the ABPath is to promote the health of the public and advance the practice and science of pathology by establishing voluntary certification standards and assessing the qualifications of those seeking to practice the specialty of pathology.

Pathology is a branch of medical science that involves the study and diagnosis of disease through the examination of surgically removed organs, tissues, bodily fluids, and in some cases, the whole body. Pathologists are physicians who specialize in the diagnosis and management of diseases by laboratory methods.
