Elizabeth has been a Registered Nurse Since 1986 with career experiences in the Coronary Care Unit, Operating Room on the Peripheral Vascular Team, and outpatient Dialysis.

Graduating with her Associate's Degree in Nursing from Marshalltown Community College, Elizabeth holds a certification in Basic Life Support (not intended for postnominal use).

In order to stay up to date in her field, she remains a member of several professional organizations, including the Association of Operating Room Nurses and the American Nurses Association.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province, or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.

On a more personal note, Elizabeth is married. She and her family reside in Bondurant, Iowa.
