

Harmony Devoe- New Single Press Release

Florida, Tampa, Sep 10, 2021 (Issuewire.com) - A Detroit Native by way of Tampa, Florida, Harmony Devoe's collation of melody, metaphoric wordplay, and poetic lyricism have announced her as one of the East-Coast's biggest rising R&B stars. Her latest single, 'When U Fall Outta Luv,' showcases precisely

why she is *lyricism in motion*.

Releasing on all digital platforms on 9/10/2021, with Pre-Orders through iTunes on 8/21/2021, this track was produced by JetBlakBrown and features an appearance from JaKeith. The ballad itself speaks to the real, gutter raw situations happening in the home, honing in on the torturous emotional fallout of a broken relationship, while enduring it through our generation's most devastating pandemic.

While Harmony's usual captivating vocal performance and intricately crafted songwriting shine through, JaKeith supplies his signature smooth vocals that blow the walls off every note, providing a male perspective to the storyline, to create a superb duet performance that flows perfectly throughout.
