

HOM, Inc. named a “Top Companies to Work for in Arizona”

Arizona Capitol Times, Best Companies Group and BestCompaniesAZ announced in early July that HOM, Inc. (HOM) has earned a spot on the 9th annual list of 2021 Top Companies to Work for in Arizona.

Arizona, Phoenix, Aug 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - This highly selective list is the result of anonymous and comprehensive employee surveys measuring culture, work environment, leadership, and employee pride and satisfaction, combined with rigorous evaluations of workplace practices, policies, perks, and demographics.

“This year, 100 companies were selected based on the results of a very high favorable employee survey scores averaging 91% overall survey results and an impressive 92% overall employee engagement. This level of performance for Arizona companies is about three times the national average when compared to Gallup’s recent reporting of US engagement at about 33% favorable,” says Peter Burke, President of Best Companies Group. “These winners should be very proud of their Top Companies status for this presents a powerful opportunity to attract and retain the very best talent.”

“We are proud to be recognized as one of Arizona’s Top Companies to Work for,” says Michael Shore, President, and CEO of HOM. “The people that make up our team at HOM are remarkable individuals that come together to make a difference in the world every day. This is no accident. We’ve worked diligently over the years to cultivate the unique combination of attributes and talents that make our team great. A few years ago, we set out to define this greatness and make it a focal point of our company’s recruiting and retention efforts. It is embedded in our culture and plays a significant role in everything that we do as an organization. Together, we set expectations and goals based on shared values and beliefs held by all members of the team.”

Shore adds, “I’d like to personally thank our employees for their role in this prestigious designation, their continued dedication, and their relentless pursuit of making the promise of home a reality for everyone.”

The 100 “Top Companies” will be honored at a virtual event on Aug. 24 and a special supplement listing the rankings will be published by Arizona Capitol Times on Aug. 27.
