

Janerio D. Aldridge, MD, a Cardiothoracic Surgeon with Great Lakes Cardiovascular

Get to know Cardiothoracic Surgeon Dr. Janerio D. Aldridge, who serves patients in Buffalo, New York.

New York, New York City, Aug 5, 2021 ([Issuewire.com](https://www.issuewire.com)) - A seasoned cardiothoracic surgeon, Dr. Jan Aldridge is in practice with Great Lakes Cardiovascular in Buffalo, New York.

His specialties include coronary artery bypass grafting, aortic and mitral valve surgery, surgery of the thoracic aorta, general thoracic surgery - minimally invasive thoracic surgery and video-assisted

thoracoscopic surgery, and esophageal surgery,

“At Great Lakes Cardiovascular, we’re proud to offer world-class cardiovascular care right here in Western New York. Our physicians are some of the most respected cardiologists in the country—with exceptional talent, experience, and training in the latest non-invasive interventions. We also utilize state-of-the-art facilities and equipment to deliver some of the top measurable outcomes in the region” as stated on their website.

Back in 1975, Dr. Aldridge graduated with his medical degree from the University at Buffalo School of Medicine and Biomedical Sciences. He then went on to perform his residency in General Surgery and his fellowship in Cardiothoracic surgery at the State University of Buffalo Consortium of Hospitals - the Buffalo General Hospital, the Roswell Park Memorial Hospital, the Buffalo Children’s Hospital, and the Buffalo Veterans Hospital.

Subsequent to his education, he is a Fellow of the American Board of Surgery and the doctor attained board certification in thoracic and cardiac surgery through the American Board of Thoracic Surgery (ABTS). The ABTS is an American surgical organization devoted to surgery of the heart, great vessels, and the chest.

A Fellow of the American College of Surgeons, Dr. Aldridge is a member of the Society of Thoracic Surgeons and the American College of Chest Physicians.

Practicing medicine in New York, he is affiliated with the Buffalo General Medical Center - Gates Vascular Institute, Erie County Medical Center, and Niagara Falls Memorial Medical Center.

Cardiothoracic surgery is the field of medicine involved in the surgical treatment of organs inside the thorax or chest. Cardiothoracic surgeons are doctors who specialize in surgical procedures inside the thorax, which may involve the heart, lungs, esophagus, and other organs in the chest. Alongside performing surgery, they also diagnose and treat diseases of these organs.

Among Dr. Aldridge’s most notable achievements include Compassionate Doctor Recognition (2015, 2010), Patients’ Choice Award (2018, 2017, 2016, 2015), and On-Time Doctor Award (2018), and Buffalo Spree Top Doctor Award 2020 in Western New York.
