

Jimena Frost, DMD, a Dentist with Frost Dental Center

Get to know Dentist Dr. Jimena Frost, who serves patients in Aventura, Florida.

New York, New York City, Aug 17, 2021 ([Issuewire.com](https://www.issuewire.com)) - The Owner of Frost Dental Center, Dr. Frost is the best dentist in Aventura, Florida known for her gentle cosmetic dentistry with a focus on dental periodontics.

She is known for her endless wish to learn to improve the quality of care for her patients, as well as embracing a collaborative perspective within her practice. Her commitment and responsibility to her patients go beyond simply making sure the teeth are clean, but also that one is holistically healthy.

Born and raised in Buenos Aires, Argentina, Dr. Frost attended the Universidad de Buenos Aires where she graduated with honors in 2001. After graduating, she moved to the United States, where she revalidated her dentistry license at the Nova Southeastern University College of Dental Medicine from 2003-2006 and graduated ranked 5th of the highest honors. She also received an award for outstanding achievement in prosthodontics.

In 2015, Dr. Frost opened her own practice, Frost Dental Center, with the goal of redesigning the ultimate dental experience and providing patients with exceptional care. She specializes in the prevention, diagnosis, and treatment of the oral cavity, including the teeth and gums.

Patients choose Dr. Frost for her premier education and her excellence in cosmetic dentistry, which is why she has had an exceptional overall patient experience rating of 5 out of 5. Over the years, she has built a strong relationship with her patients that trust her knowledge above others.

Among her professional dental affiliations, she is an active member of the American Dental Association,

the Florida Dental Association, and the South Florida District Dental Association.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

For over 20 years, Dr. Frost has achieved state-of-the-art results in cosmetic dentistry. She is actively involved in organized dentistry at the local, state, and national levels.

On a more personal note, she currently lives in Aventura with her husband and their three children. She speaks several languages, including English, Spanish, and Portuguese.
