**PROPER AIR AMBULANCE
SERVICE IN AMRITSAR IS
AVAILABLE BY KING**

Delhi, New Delhi, Aug 2, 2021 (Issuewire.com) - Today, the team of King Air Ambulance has come forth to declare a piece of news through this press release that we are overwhelmed by the love, faith, and support showered by the people across the country. The reason behind this is as simple as that we have evacuated a large number of patients safely from different situations and saved their lives. Talking about the capital city of Bihar, our King [Air Ambulance in Patna](#) has been providing its remarkable

emergency service for the last six years and has saved the breath of several patients by keeping on providing the essentials during the shifts and later shifted them to the hospital for further medical treatment.

In these years, we have also come across several such cases where the patient, as well as their attendants, have almost lost their hope after seeing the critical or lethal condition of patients but, the team of Air Ambulance Service in Patna has tried hard and successfully shifted the patient to the hospital and in the evening our ears got blessed with the news that the patient is out of danger and still alive. Also, our decision of rendering 24/7 Air Ambulance Services in Patna has made us a life-savior emergency service provider several times.
