

Krewe of Europa® has been selected to appear in the 2021 America's Hometown Thanksgiving Parade

Plymouth Mass Parade is celebrating the 400th Anniversary of Thanksgiving

Florida, Bradenton, Sep 1, 2021 ([IssueWire.com](https://www.issuewire.com)) - The **Krewe of Europa®**, a Tampa-based 501c3 social and philanthropy organization with members across the United States and many other countries has been invited to the 25th Annual Plymouth Mass "America's Hometown Thanksgiving Parade" November 20th, 2021. The 2021 parade will be celebrating the 400th Thanksgiving in the town where the Pilgrims had the first Thanksgiving. A Nationally-ranked parade and also broadcasted across America.

"Each participating organization must align with the parade requirements of being historic or representing American history. All floats and themes tell the story of our country and Thanksgiving. We highlight historical anniversaries, special dates, and events that have shaped our country. Krewe of Europa was selected because of its theme of representing The Age of Discovery, also known as the Age of Exploration and the Great Navigation, a period in European history from the early 15th century to the early 17th century. A period in history that influenced the start of the new nation"

Europa was formed by a global group of professionals that wanted to bring krewe life to the global stage by following their motto of "Bringing Our Small World Together". Europa travels to major parades across the globe will also be featured in the 2022 Villach Austria Carnival Parade.
