

Kyle O'Rourke, RN, a Registered Nurse with Nuvance Health

Get to know Registered Nurse, Kyle O'Rourke, who serves patients in Hopewell Junction, New York.

New York, New York City, Aug 20, 2021 ([IssueWire.com](https://www.issuewire.com)) - Kyle is a registered nurse who is affiliated with Nuvance Health, an integrated health system offering convenient, accessible, and affordable care to community members.

A 2015 graduate of Pace University, he attributes his success to maintaining his focus on lifelong learning and his 11 years of experience as an EMT.

Continuously advancing his efforts, Kyle is an active member of the American Nurses Association, which is a 501 professional organization to advance and protect the profession of nursing.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province, or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
