Uttar Pradesh, Noida, Aug 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - Madman.ai; the leading source for IT and Network Infrastructure Solutions Services, is pleased to announce the opening of a new branch in Bhopal, Madhya Pradesh located at the center of the city.

[Madman.ai](https://www.madman.ai) is a young and dynamic startup launched in 2019. It has primary branch operations in Noida, Uttar Pradesh. Madman offers a wide spectrum of services to the government and private sectors. They are experts in the field of Network Design, Cybersecurity, Data Center Solutions, Robotics, Drones, AV Room Design, and Video Surveillance.

"We are delighted to expand our footsteps in Madhya Pradesh and Chhattisgarh's amazingly vibrant community and will be able to leverage the opportunities over there." said [Manish Gupta](#), **CSO** of Madman.ai." In addition to our headquarters in Noida, the new office space doubles our footprint and supports the company's expansion strategy. We aim to explore untapped opportunities in this region by facilitating the community with the best tailored made solutions.

We decided to open a new office in Bhopal as we have sensed the opportunities arising from the public sector as well as small-medium businesses. We will ride on the Bhopal office to offer professional IT service support to local organizations, leveraging our global network and professional service experience. *"Together with our head office in Noida, the new office will enable us to create a cohesive service network and further strengthen our service capabilities in this region,"* said [Vaibhav Singh](#), **Co-founder & Associate Director** of Madman.ai. Our expertise would be to ease public and private sector assemblies and startups with supreme [Technical Consulting Services and Solutions](#).

"We believe in investing in communities where our teammates live and are connected to clients personally and professionally."

This Affiliated Division will provide an extensive array of IT services and network infrastructure solutions to efficiently serve the needs of the community. Madman has placed most of the young enthusiastic and talented professionals in this community. Nidhi Kumari, Bhopal resident and active member of the team, has been named Technical Regional Manager.

"We're confident she will uphold our New Wing with a commitment to putting our customers at the forefront of everything we do and giving back to our communities."

We are happy to establish our presence in the strong growth of Madhya Pradesh's market where we can commit to providing highly personalized service to the residents, government offices, and business owners of this vibrant community. We are very excited about the growth opportunities in this region. We promise this community to continue to cultivate an entrepreneurial, innovative, and team-oriented culture that has been with us since the beginning.
