Madman.ai is hosting an event in Tartu, Estonia

Madman.ai is a young and dynamic startup, who is pleased and geared up to host the event in 'Tartu', Estonia, Northern Europe.

Uttar Pradesh, Noida, Aug 16, 2021 (Issuewire.com**)** - Madman.ai is hosting an event in **'Tartu', Estonia, Northern Europe** which will be held between 25th to 27th August 2021 at Estonian National Museum as well as online.

Madman.ai is a young and dynamic startup, who is pleased and geared up to host the **STARTUp** Day event for the second time in 'Tartu'. It will take place as a **one-of-a-kind hybrid Networking festival** in the month of August. For three days, Tartu and the National Museum of Estonia (ERM) will be buzzing with world-class experts, executives, entrepreneurs, and most importantly – startups and investors.

STARTUp Day is an ideal place for entrepreneurial experts, future founders, and inspiration seekers. Here, business and celebrations complement each other, creating a perfect combination of inspirational speeches and practical seminars, to let your future soar. Also, STARTUp Day is set out to break the world record for the largest **Business Speed Dating event**, with an estimated 1,074 visitors, startups, investors & executives from around the world.

In August 2021, sTARTUp Day is bringing together over 100 world-class speakers and 4000 attendees

to discuss business, innovation, and new technologies, share startup success stories and lessons learned. The international activities of sTARTUp Day 2021 are introducing Tartu and Estonia as **attractive tourism destinations for business and networking**.

“Our aim of the event is to connect like-minded people and celebrate entrepreneurship in the smart city of Tartu, " says Manish Gupta, **CSO** of Madman.ai. STARTUp Day is a festival that combines business, celebration, entrepreneurial spirit, and a good atmosphere. We believe in the **entrepreneurial mentality**: no matter what happens, we perform things well, get back on track after failure, and always dream of being as far-reaching as possible. This is an entrepreneurial mentality, and it is also the mentality of everyone at sTARTUp Day.

STARTUp Day is the **largest business festival in the Baltic Sea region**, bringing together more than 4,400 entrepreneurial people to celebrate entrepreneurship in the smart city of Tartu. This is a three-day festival with wonderful stage programs, effective matching, practical seminars, innovative exhibition areas, and vibrant side events.

“It is the most effective networking opportunity for us to meet investors, business partners, and solution buyers, " says Vaibhav Singh, **Associate Director & Co-founder** of Madmani.ai. STARTUp Day is an event full of a positive and casual atmosphere, always at an interesting venue. The perfect choice for networking -big enough to attract people, small enough to find relevant people.

It is a great opportunity for **Madman** and its fellow members to meet harmonious entrepreneurs. We are also exploring the possibilities to set up **operations here in Tallinn, the capital city of Estonia** for future exposure. We are already in communication with the local authorities and this is our chance to shine in the **business holy land**! We will discover the latest innovations, accelerators, business opportunities, potential employees, and new potential customers.
