[Mahindra Lifespaces Kanakapura Road](#) is an emerging site in Bengaluru. It likes quick connectivity to a number of establishments on Bannerghatta Road Tech Parks, Yeshwantpur ORR (World Trade center Orion mall), JP Nagar Tech Parks, EC Max. Metro phase 1 last place is just 10 minutes from NICE junction. You can move to every place simply via NICE Road Highway. And the best benefit of all, this residence doesn't have a recurrent water problem. Art of living is also near Kanakapura Road. Disney land is upcoming on Kanakapura Road as well.

Kanakapura road is 4-lane till metro cash and carry and binary lane till NICE road and is likely to be widened to 8-lane superhighway till NICE road as it is NH209. Kanakapura road is situated near Jayanagar and JP Nagar and lies near Banashankari. Mahindra Lifespaces is soon going to organize its premium built-up venture at Kanakapura Road. [Mahindra Kanakapura Road Bangalore](#) will be a Premium Residences project with all modern lifestyle amenities including a multipurpose hall, clubhouse, high-end security, gym, jogging track, indoor games, tennis court, swimming pool, and uninterrupted power backup, etc.

Rich by Nature. Contemporary by Design

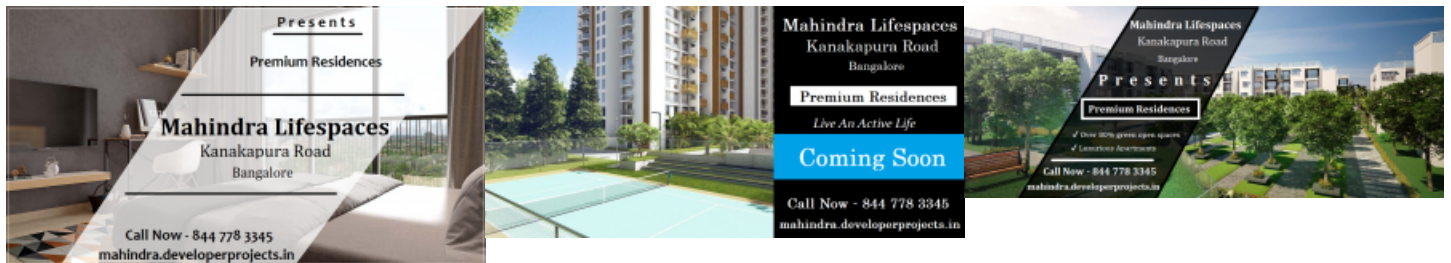

The women are more betrothed than elsewhere in India, they are not hesitant to take up unpredictable locations like that of a transport conductor or a taxi driver, creating it fine for them 24*7. The transport network in Bangalore is epic and unequalled to some other cities in India. Bangalore is the 'Silicon Valley of India.

It is the IT center of the country and the home of numerous impending new trades in the country. If you're a designer then you likely have a great talent that anticipates you in Bangalore.
