

Martin Moradian, DPM, a Podiatrist with Comprehensive Foot and Ankle Specialists

Get to know Podiatrist Dr. Martin Moradian, who serves patients in Glendale, California.

New York, New York City, Aug 5, 2021 (IssueWire.com) - Dr. Moradian is a podiatrist working alongside Dr. Gerard Boghossian at Comprehensive Foot and Ankle Specialists in Glendale, California.

He has hospital privileges at Glendale Memorial Hospital and Silver Lake Medical Center (formerly City of Angels Medical Center).

Throughout his educational endeavors, Dr. Moradian graduated from the University of Southern California in 1998 with a Bachelor of Science degree in Exercise Science. Later that year, he attended the California College of Podiatric Medicine in San Francisco from 1998-2002, graduating with his Doctor of Podiatric Medicine degree.

He started his residency at the City of Angels Medical Center/Baja Project for Crippled Project for a 24-month surgical training from 2002-2004. In his second year, he held the title as Chief Resident in the Baja Project for crippled children, performing mission trips to Central America and Mexico while performing volunteer reconstructive surgical services for children ranging from five months to young teens.

After completing his residency training, Dr. Moradian started as an Associate in a busy podiatric

practice for one year in Burbank and Glendale. Later, in 2005, he started his full-time private practice in Glendale.

A Fellow in the American Board of Multiple Specialties in Podiatry, he is board-certified through the American Board of Foot and Ankle Surgery (ABFAS). The ABFAS strives to protect and improve the health and welfare of the public by advancing the art and science of foot and ankle surgery.

An Associate in the American College of Foot and Ankle Surgeons, Dr. Moradian is a member of the American Podiatric Medical Association, the California Podiatric Medical Association, the Los Angeles County Podiatric Medicine Society, the American Diabetes Association, and the Armenian American Medical Society of California.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremity. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremity. They can treat injuries and complications from ongoing health issues like diabetes.

On a more personal note, Dr. Moradian speaks multiple languages, including English, Armenian, Farsi, and Spanish.
