

## MODN Living Offers A One-Stop Resource For Stylish Indoor And Outdoor (Ziptrak®) Blinds

**Taranaki, New Plymouth, Aug 23, 2021** ([Issuewire.com](https://www.issuewire.com)) - [MODN Living](#) owner, Prateek Pawar, knows that window blinds do more than blocking the sunlight. They offer privacy, beautify homes, and aid in regulating a structure's temperature. The range of blinds available at MODN Living is affordable, low-maintenance, and available in an extensive selection of colours and textures in motorized and automated styles.

One of the most popular selections is [roller blinds New Plymouth](#). They're available as thermal blackout blinds, sunscreen blinds, and light filtering blinds. Completely modern and highly stylish, some blackout blinds are created with metallics for a unique appearance, and they're offered in over a dozen colours to complement any décor. Others feature a thermal backing and provide insulating properties.

[Ziptrak® blinds](#) enable individuals to transform their outdoor spaces into entirely new rooms. The patented, Australian-invented outdoor blind system features smooth operation and is able to stop at any desired height. The blinds are an easy and luxurious way to connect indoor spaces to the outdoor environment for relaxing and entertaining. They aid in controlling light, airflow, and temperature. They're sealed, provide protection from the elements, and are also an effective insect barrier.

People are utilizing their outdoor spaces more effectively and [outdoor blinds New Plymouth](#) offers an extensive range of benefits. They maximize the available space and can be used to separate an area for special usage. They're energy-efficient, help keep areas cool, and can reduce electricity consumption for cooling by up to 50 percent. The blinds enhance a home's aesthetics and add considerable value to properties if owners decide to sell.

The extensive range of blinds, installation services, and 24/7 availability provided by MODN Living has earned the company a reputation as a premier provider and a one-stop resource for blinds, as evidenced by the company's 5-star Google rating. The company offers motorized and automated blinds, sunscreens, linked roller, and dual roller blinds, and honeycomb blinds in premium fabrics for every need.
