

## **Paul K. Lerer, MD, a Gastroenterologist with Medical Diagnostic Associates at GastroSurgi Center**

Get to know Gastroenterologist, Dr. Paul K. Lerer, who serves patients in New Jersey.

**New York, New York City, Aug 13, 2021 ([IssueWire.com](https://www.issuewire.com))** - A board-certified gastroenterologist, Dr. Lerer, treats a full spectrum of general gastroenterology disorders. Throughout his professional journey in gastroenterology, he has developed a clinical interest in liver disease, IBS, and celiac disease. He is highly regarded as an expert in the endoscopic screening of gastrointestinal cancers. In practice at Medical Diagnostic Associates in Westfield and Summit, New Jersey since 1985, Dr. Lerer remains an attending gastroenterologist at Overlook Medical Center of Summit, New Jersey, and the GastroSurgery Center of Mountainside, New Jersey.

*“The GastroSurgi Center of New Jersey is a state-licensed, Medicare-certified, AAAASF accredited ambulatory surgery center providing gastrointestinal endoscopy and colorectal surgery services. We are dedicated to delivering optimal health care with state-of-the-art medical practices and the highest nursing standards. Surgeons utilize the latest in technology and medical equipment. The team at GastroSurgi Center is heavily focused on preventive and diagnostic services and tests”,* states the official website of GastroSurgery Center.

In addition to holding hospital privileges at Atlantic Health and Horizon NJ Health, Dr. Lerer is a preceptor for gastroenterology and endoscopic procedures for medical students and physician assistant students. Throughout the past ten years, he has mentored students from Rutgers New Jersey Medical School and Seton Hall University.

After graduating with his medical degree in 1980 from Mayo Clinic School of Medicine in Rochester, Minnesota, Dr. Lerer completed his internship at Boston University Medical Center (1981), followed by his internal medicine residency at New York-Presbyterian Hospital - Columbia Campus (1983). Upon discovering his passion for gastroenterology, he conducted a two-year fellowship in gastroenterology at Icahn School of Medicine at Mount Sinai (1983-1985). Dr. Lerer received his undergraduate education in pre-medical studies at Yeshiva University in 1976.

Licensed to practice in the states of New Jersey and New York, Dr. Lerer is board-certified in internal medicine and the subspecialty of gastroenterology by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Gastroenterology is the branch of medicine focused on the digestive system and its disorders. A gastroenterologist is a physician who has extensive training in the diagnosis and treatment of disorders related to the esophagus, stomach, small intestines, colon, liver, pancreas, and biliary system.

In his free time, he enjoys swimming and cycling.
