

Quyen Trinh, DO, a Family Physician with Mason Park Medical Clinic

Get to know Family Physician Dr. Quyen Trinh, who serves patients in Katy, Texas.

New York, New York City, Aug 13, 2021 ([Issuewire.com](https://www.issuewire.com)) - A compassionate, board-certified family physician, Dr. Trinh is the Managing Physician at Mason Park Medical Clinic in Katy, Texas.

With exemplary service in the medical field practicing accountable and evidence-based care since 1996, he provides acute and chronic care for patients ages 5 and over. His whole-health approach and

his commitment to building strong patient-doctor relationships are well received and much appreciated by his patients.

The mission of Mason Park Medical Clinic is to help patients achieve their health goals so they can have a better quality of life. That's why the team of medical professionals takes the time to get to know their patients better. They develop strong, trustworthy patient-doctor relationships and patient-staff relationships that allow them to help their community to maintain a healthy life.

Prior to becoming the Managing Physician at Mason Park Medical Clinic, Dr. Trinh was a practicing physician and Partner with Kelsey-Seybold Clinic for over 18 years.

Presently, he is affiliated with Baylor St. Luke's Medical Center, Texas Children's Hospital, and Memorial Hermann Physician Network.

In regards to his educational background, Dr. Trinh graduated with his Doctor of Osteopathic Medicine degree from Kansas City University of Medicine and Biosciences in 1996. Three years later, in 1999, he completed his residency in family medicine at the University of Texas Health Sciences Center.

As a testament to his continued education, he is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in Family Medicine and its sub-specialties.

On a professional level, Dr. Trinh is a member of many medical organizations, including the American Academy of Facial Esthetics, the American Medical Association, the American Osteopathic Association, the Texas Medical Association, the Texas Academy of Family Physicians, the Harris County Medical Society, and the American Med Spa Association.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Awarded recognition by the National Committee for Quality Assurance (NCQA) Diabetes and Heart/Stroke Recognition Programs, Dr. Trinh has also been the recipient of the TX Top Docs Award for 2020 and 2021, America's Best Doctors Award – 2021, and was mentioned in the Reader's Choice Best of the Best in Katy/Fulshear for 2021 in Katy Living Magazine.

On a more personal note, he moved to the Houston area in 1976 and is fluent in both Vietnamese and English. He enjoys playing golf, traveling, dabbling in gastronomy, and watching movies from Marvel Universe. He has been married to his wife, Angela, since 1995 and they have three children together - Ashley, Brandon, and Ryan.
