

Robert S. Bader, MD, Board-Certified Dermatologist & Surgeon

Get to know Dermatologist Dr. Robert S. Bader, who serves patients in Deerfield Beach, Florida.

New York, New York City, Aug 18, 2021 ([Issuewire.com](https://www.issuewire.com)) - An Ivy League-trained physician, Dr. Bader is the Founder of RSB Dermatology in Deerfield Beach, Florida. He specializes in Dermatologic cosmetic/plastic surgery and Mohs' micrographic surgery.

RSB Dermatology opened in March 2000 and offers comprehensive and efficient cosmetic, medical, and surgical dermatology services. Dr. Bader comes highly recommended by many providers and patients because of his training, bedside manner, broad experience, and knowledge.

"It is my mission and pleasure to offer my patients a one-stop solution for their total skincare needs. Along with comprehensive, full-scope dermatologic care, I am able to perform both Mohs' surgery and reconstructive cosmetic procedures in my office setting during one appointment, saving my patients the time, travel, and expense of dealing with different specialists and separate costly insurance co-pays" he stated.

Dr. Bader has been on staff at the North Broward Medical Center since 1999. In the past, he has held positions at the Florida Medical Center, Riverside Methodist Hospital, and Allegheny University Hospitals.

Regarding his educational background, Dr. Bader holds a Bachelor of Arts degree with a major in music from George Washington University. He started his career in medicine by earning his medical degree at the same educational venue earning his degree with distinction due to his academic record. He completed his training in Internal Medicine at the Yale-New Haven Hospital and Dermatology at Hahnemann-Allegheny University Hospitals, where he served as Chief Resident. Finally, he completed a fellowship with the American Academy of Cosmetic Surgery and the American Society of Mohs' Surgery under the tutelage of Dr. Dwight Scarborough and Dr. Emil Bisaccia at Affiliated Dermatology, a program affiliated with Columbia University.

He is board-certified in Dermatology by the American Board of Dermatology (ABD) and is in good standing with a number of professional organizations including the American Academy of Dermatology, the American Society of Dermatologic Surgery, the Broward County Medical Society, the Florida Medical Association, the American Society of Mohs Surgery, Florida Society of Dermatology & Dermatologic Surgery, the Florida Society of Dermatologic Surgeons, and the Broward County Dermatologic Society.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages diseases of the skin, hair, and nails from both internal and external causes, in addition to cosmetic concerns. Dermatological duties include taking consultations, providing screening tests, and undertaking both invasive and non-invasive surgical procedures.

Having written several book chapters on cosmetic procedures and authored numerous articles in well-respected medical journals, Dr. Bader has been an invited speaker at several national medical meetings and has shown his remarkable procedures on major television networks.

Named "One of America's Best Physicians" since 2004, he has been voted one of America's Best Dermatologists by the Consumer's Research Council of America (2004-), has received the Physician Recognition Award by the American Medical Association, the Continuing Medical Education Award by the American Academy of Dermatology, best Dermatologist in Deerfield Beach in 2020, in addition to other awards.
