For showing us the true meaning of leadership. On the field and off the field, we have the pinnacle of leadership and a true model for excellence. Poovarasan, Yadvinder Kaur, Ankita Gupta, and Abhishek Achwan, have demonstrated the characteristics of a true leader and have shown us how to grow as a person and learn from each and every mistake, no matter how big that mistake might be. The leadership values they have been given have allowed me to flourish in unthinkable ways and find success in all opportunities, to which SGADF is so thankful to all of them
