**Maharashtra, Mumbai, Aug 11, 2021 ([IssueWire.com](http://IssueWire.com))** - Shapoorji Pallonji Real Estate (SPREL) has to collaborate with Lokhandwala Infrastructure to complete its under-construction leading project, Minerva, at Mahalakshmi in South Mumbai, Maharashtra.

**Shapoorji Minerva** is a 90 story High-rise skyscraper project which has been ready to launch. The residential project will offer 3 BHK, 4 BHK, & 5BHK residential apartments.

### **Welcome To A Home Where You Can live the Life**

**Shapoorji Pallonji Real Estate** is honored to announce that Minerva is one of the tallest upcoming ultra-luxurious residential buildings in Mumbai. As one of India's most reputed names in Real Estate, Shapoorji Pallonji Real Estate brings over 150 years of experience towards the development of Minerva, a truly iconic project that sets the benchmark in luxury living. This super high-rise is set to be one of the tallest towers in India and is all set to dominate the city's skyline.

**Shapoorji Minerva Mahalakshmi** in South Mumbai is designed with a 90-floor skyscraper with 2 towers. Minerva's perfect location connects you to popular landmarks in the vicinity including, banks, high street malls, multiplex, healthcare institutes, Eastern and Western Expressways, the monorail and railway station among others. So, you're always connected to prime locations of **Mumbai** while you're at Minerva. Choose the awe-inspiring habitat at Shapoorji Pallonji Minerva and live amidst elegance and pleasure.
