

Sri Lankan Musical Artist Kasun Anjana Is Planning to Start His Own Business with Modern Technology

Kasun Anjana, the rising star in the Sri Lankan musical scene, is planning to start his own business in future, using state-of-the-art technology

Sri Lanka, Western Province, Aug 11, 2021 ([IssueWire.com](https://www.issuewire.com)) - A gifted singer and music producer, **Kasun Anjana** has plans to set up a business of his own in the near future with the help of cutting-edge technology.

The artist is already an established name in the musical as well as social media scene and his popularity is growing with each passing year. He has produced and created hit songs and has recently acted in "Man Witharamai", - the music video of the noted Sri Lankan singer Jaliya Madhuranga and has also started exploring newer varieties in the world of music.

He is also a noted **Social Media Consultant** and has been helping many artists and businesses find footing in a world that is growing more and more competitive. He loves to use new technologies and wants to use the same in his new business.

"Technology is what is driving the world today and when it comes to popularizing and improving the efficiency, reach and productivity of any new business, the use of the right kind of technologies matters the most in the present scenario," says Kasun Anjana. He further adds that "When it comes to reducing wastage of time and exploring fresh opportunities, there is nothing better than digital technologies, AI, etc." When asked whether he plans to use such technologies in his business, he said – "There is scope for using even more. I have always been interested in doing things differently and you can expect the same in my business as well".

The **Famous Singer, Music Producer, and Music Composer** also said that he has plans to release new music videos soon enough, for the satisfaction of his fans and followers out there.
