New York, New York City, Aug 31, 2021 ([Issuewire.com](https://www.issuewire.com)) - Get to know Allergist / Immunologist Dr. Sudha Reddy, who serves patients in Hamtramck, Michigan.

A fellowship-trained allergist/immunologist, Dr. Reddy treats patients that suffer from allergies and other

diseases affecting the immune system. She started University Allergy and Asthma Center, PLLC in Hamtramck, Michigan in 2011, providing many services, including immunotherapy.

Locally, she is affiliated with DMC Children's Hospital of Michigan, DMC Huron Valley-Sinai Hospital, DMC Sinai-Grace Hospital, DMC Detroit Receiving Hospital, DMC Rehabilitation Institute of Michigan, and DMC Harper University Hospital. She is also active in teaching allergy and immunology to residents and medical students.

Educated in India, Dr. Reddy graduated with her medical degree from Gandhi Medical College. She then relocated to the United States, performing her internship and residency in internal medicine and her fellowship in allergy and immunology at Detroit Medical Center WSU Affiliated Hospitals.

Remaining cutting-edge and up-to-date in her sub-specialty, she is board-certified in allergy and immunology by the American Board of Allergy and Immunology (ABAI). The mission of the ABAI is to improve the quality of medical care by the development and utilization of professional and educational standards for the initial certification and maintenance of certification of physician specialists in allergy and immunology.

Furthermore, she is board-certified in internal medicine by the American Board of Internal Medicine, a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Representing the pinnacle of integrity and professionalism, Dr. Reddy is a Fellow of the American College of Allergy, Asthma, and Immunology.

Allergy and immunology involve the management of disorders related to the immune system. These conditions range from the very common to the very rare, spanning all ages and encompassing various organ systems. An allergist/immunologist is a physician specially trained to diagnose, treat, and manage allergies, asthma, and immunologic disorders, including primary immunodeficiency disorders.

On a more personal note, Dr. Reddy speaks both English and Telugu.
