

Supporting Education in Buffalo with Butch Rolle

Former NFL Buffalo Bill Butch Rolle Hosts Charity Bowling Event in Buffalo

New York, Buffalo, Aug 17, 2021 ([IssueWire.com](http://www.IssueWire.com)) - In its seventh year, The Butch Rolle Foundation has teamed up with Dent Concussion Center (www.DentInstitute.com) and Soul Space Salon & Yoga (www.soulspacesalonandyoga.com) to host a Charity Bowling Tournament in support of education. This event will be held Saturday, August 21, 2021, from 11 AM to 2PM at Striker's Bowling Lanes located in the Buffalo, New York area (<http://strikers.biz/>). There's only a few tickets left, but it's not too late to join them for networking with players and peers, food and bowling all for a good cause.

The support of fans, sponsors and partners are key to making these events successful. "We love having our events in the Buffalo area, the Bills Mafia is the BEST!" says Butch Rolle, former Buffalo Bills tight end, current Bills Legend. "With only 6 lanes left, the event is almost sold out ...and, once again, we owe that to our awesome Bills Mafia family."

After a successful event in 2019, it was easy to make the decision to host a charity bowling event again in 2021. For just \$225/team of five, participants will receive:

- 2 Hours of Bowling (shoes included!)
- Pizza and drinks
- A Participant band
- 5 Raffle tickets for AMAZING prizes including a blinged out BILLS Football sponsored by www.abitta.com

All proceeds will be donated to The Butch Rolle Foundation and used to sponsor no cost tutoring for disadvantaged students in both the Buffalo and South Florida areas.

The foundation hosts these events with the purpose of bringing together a network of local business leaders and concerned citizens willing to provide their services, skills and resources to benefit the advancement of young people who need assistance in achieving educational goals. The Butch Rolle Caring For Kids Foundation is looking forward to another successful event to help support scholars in our local communities here in Buffalo, all the way to the communities we support in South Florida.
