

The New-Age Hip-Hop Music Scene Is Heating Up With DJ G-Love And His Latest Banger 'Take Trip's'

Make some way for the Los Angeles music artist and DJ G-Love as he has come up with his latest track 'Take Trip's'. He has collaborated with PhatBoi' for this track.

Kenosha, Aug 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - Impressive bars and a well-crafted musical arrangement have united in the latest track '[Take Trip's](#)'; an amazing hip-hop representation by **DJ G-Love**. The artist has a great sense of original music through which his sheer individuality bursts off. The artist has teamed up PhatBoi' and both of them have complemented each other's skills. The banger is a

perfect example of their united musical effort. G-love has churned out a retro hip-hop soundscape that sounds quite groovy and engaging. The rapper has utilized the west coast flavors and enhanced them with his rapping skills. The track has been released under his own label G-Love Productions.

The artist has been keeping his name out there with his talent, skill, and creativity. He has performed in several live events and is capable of making the crowd go crazy with his compositions. He has become more powerful with each release he made. Some of his singles like 'I'm In Love Withcha', 'Stylin On Em', 'Only Imagine', etc have already impressed listeners with the whole musical arrangement. He has also collaborated with Vidal Garcia, Sire, 1st Nash and D-Mac, and many others for the tracks 'Miss My Flight', 'Be Around', 'Crump in tha Club'm respectively. The artist is progressing with a rocket-fuelled music career and there is no stopping now. He is looking forward to crafting more tracks like '**Take Trip's**' in the coming days of his journey.
