

Theresa Gardocki, DDS, Dentist with Advanced Dental Care

Get to know Dentist Dr. Theresa Gardocki, who serves the population of Oregon, Wisconsin.

New York, New York City, Aug 6, 2021 ([Issuewire.com](https://www.issuewire.com)) - An expert in her field, Dr. Gardocki currently practices with Advanced Dental Care in Oregon, Wisconsin. There she offers a comprehensive list of services including, but not limited to: Cleanings and Prevention, Cosmetic Dentistry, Teeth Whitening, Restorative Dentistry, Tooth Extractions, and Oral Surgery, Nitrous, IV, and Oral Conscious Sedation.

Dr. Theresa Gardocki was born and raised in the thumb of Michigan. She graduated from the University of Michigan School of Dentistry. Dr. Gardocki has been serving the dental needs of Dane County residents for over 35 years. She is recognized by the Academy of General Dentistry for 39 years of excellence in continuing education. Through this education, she brings the newest techniques and materials to her practice. Dr. Gardocki has her Fellowship through the Academy of General Dentistry. To receive this prestigious recognition, doctors must complete 500 hours of continuing education and pass a comprehensive written exam. Less than 10% of dentists in the United States are awarded this degree.

Dr. Gardocki taught in the general practice residency at the Meriter Hospital Dental Clinic for 34 years until its closing in 2015. She has served as a trustee and board member for the Dane County Dental Society, and has worked at Access Community Health Center serving public health needs. Her volunteer efforts have taken her all the way to the orphanages of Romania where she has treated hundreds of children in several different locations. Her professional affiliations include: The American Dental Association, The Wisconsin Dental Association, The Academy of General Dentistry, The American Society of Dental Anesthesiologists, and Tempo International. In 2004, Dr. Gardocki was awarded the American Red Cross Hometown Hero Award for Health Care for her work in Romania.

Outside of work, Dr. Gardocki enjoys spending time with her husband and her two children. She has a strong passion for dog rescue, often opening her home to rescues from high-kill shelters. Dr. Gardocki was a former college athlete. She was inducted into her hometown sports hall of fame, and she still holds career ERA pitching records for the University of Michigan softball team.

General dentists provide a wide array of services that are vital to patients' continued health. These services include: preventive services, including helping to maintain good oral health by stopping disease before it takes hold in the mouth; restorative services, such as receiving timely and appropriate treatment when a problem is identified; as well as cosmetic services, including performing a range of cosmetic procedures, such as teeth whitening, cosmetic bonding, and even porcelain veneers. General dentists also address overall health concerns as oral health is seen as the mirror of general health. In fact, some dental problems may reflect issues in other parts of the body and vice versa.
