

Time to Celebrate 2021 Music Festival: Enjoy 30% Off Discount on Leawo Music Recorder

Leawo Software recently rolled out its Free Giveaway & Specials for 2021 Music Festivals, offering a 30% off super discount on its hot-selling audio recorder.

Guangdong, Shenzhen, Aug 10, 2021 (Issuewire.com) - The music festival, usually a series of musical performances at a particular place, is inspired by a unified theme, such as folk music, modern music, or the promotion of a prominent composer's artwork. It can also take the form of a performer or composer contest. Many of the most popular and well-known events are held outdoors and spread over a weekend or longer. However, as the epidemic spreads, many music festivals were forced to cancel. To help people celebrate music festivals at the right time, Leawo Software, a company specialized in multimedia solutions and data management software, recently revealed its [Free Giveaway & Specials for the 2021 Music Festival](#) with a 30% off discount on [Leawo Music Recorder](#).

Leawo Music Recorder is a piece of practical music recording software that enables users to record free music from any built-in input audio, computer audio, and online music sources, such as YouTube, Tidal, Spotify, AOL Music, and more. In addition to recording audio from online sites, Leawo Music Recorder is also designed as an audio recorder for recording any audio that plays on a computer. After recording, users can [save recordings in WAV](#) or MP3 format (support MP3, WAV, and W4A in Mac version) without quality loss, which is fully compatible with various devices like iPhone, iPod, Android phones, etc. As a smart music recorder, this software can automatically detect, recognize and add music tags when recording music. Also, users can manually edit music tags via a built-in music tag editor. Furthermore, its built-in task scheduler, track filter, and instant previewer also meet different needs to optimize the audio recording experience. Leawo Music Recorder now is available for Windows and Mac, and people can download and experience it for free.
