

TV pilot 'Girl, Chill' is released

Actress Janine Gateland stars as a leading role for new show

GIRL CHILL

THE SWEET SMELL OF
DESPERATION

GEEPAK

California, Hollywood, Aug 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - Gateland stars in a critical role for the new TV dramady 'Girl, Chill'. The half-hour tv-series is doing very well on the festival circuit.

The show is currently streaming on Direct Monthly Online Film Festival until the end of August and is currently in the top 3. In addition, it's also showing at London International Monthly for August as well and has already received a Special Mention. With some serious network interest, we expect this show to be a hit!

"Finding love is tough in the city, and for one woman, it's pure desperation at this point. Additionally, we follow a diverse cast of characters from all walks of life and sexual orientations, as they venture into the shark tank of the big city to chase their ambitions".

Gateland plays Amy, a 30-something looking for love in the big city, but in all the wrong places!

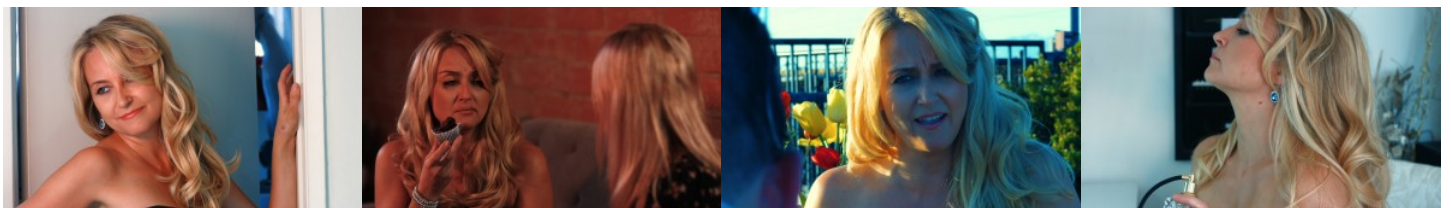

"I'm absolutely delighted to be a part of such a wonderful and creative show. The writing is superb, and I just love Amy with all her quirkiness". said Janine Gateland.
