Up Next Artist FAYRO Brings the "Pressure" with Latest Video Release. The Industry is Talking

Tennessee, Nashville, Aug 5, 2021 (Issuewire.com) - Artist/Songwriter/Entertainer FAYRO released his latest video "Pressure" this week and it's taking music lovers and the music industry by storm. Released exclusively to his website (<u>fayromusic.com</u>) the artist has managed to reach many people that are excited about the new sound he has introduced; reaching listeners as far as Panama and India with the launch of his new platform.

Known for releasing music in many different genres; this release was a pleasant surprise for FAYRO's fans and new listeners that discovered the artist. Fayro's mission is to speak to his listeners through his music and message. Music being a universal language, Fayro uses different genres to communicate with all of his fans.

Pressure is the 3rd Video release from the upcoming album "Weight On It" by FAYRO. Soon to be on all streaming and video platforms. Watch New Video "Pressure" by FAYRO Exclusively on FayroMusic.com

Set in Nashville, TN. Fayro explores the downtown streets of Nashville, soaking up the musical energy from ancestors with his guitar and grounding himself to become strong enough to withstand the pressure of life's obstacles.
