Introduction

[UV Gullas College of medicine](#) aims to transform society through medicine. We strongly believe that we play a crucial role in the metamorphosis by imparting excellence through medical education programs. These are designed to deploy next-gen clinicians and specialists who will be exemplary role models in their own right. While fostering high integrity, our outputs involve honesty, accountability, trustworthiness, and technical inquisitiveness. With intrinsic planning and organization, we aspire to ingrain excellence in every student to provide effective, innovative, responsive, and timely solutions.

[Study MBBS in the Philippines in UV Gullas College of Medicine](#) to get world-class education without compromising on international standards. Indian students choose the Philippines to pursue their MBBS because of many reasons. One reason is the literacy rate. The literacy rate is as high as 95.6%, with 95.1% for males and 96.1% for females. US Medico sends its students to only reputed universities with low fees and [UV Gullas College](#) exactly matches the requirements. There is no language barrier as English is the medium of instruction and more than 99% of the individuals in Cebu will speak English.

The UV Gullas College of Medicine has 2 campuses in the Philippines. One in Cebu City, which is the main University campus. The second building is the College of Dentistry and Nursing, which is located in Banilad, Mandaue City.

### [Why UV Gullas College of medicine?](#)

[The UV Gullas College of Medicine](#) in Cebu City is a multi-storied building that is equipped with several facilities for the students.

Living spaces are fully air-conditioned with attached bathrooms. Students also have access to free Wi-Fi, Play areas, and other entertainment.

Every student receives personal care and assistance at the hostel. Constant CCTV surveillance and the presence of 24 / 7 campus guards ensure high levels of student security.

The core of the course is clinical training, it is imparted by a highly-trained and experienced faculty who have demonstrated capabilities in their respective fields.

UV Gullas College of Medicine encompasses sprawling campuses, world-class kitchen facilities, quality accommodation, and other associated conveniences to students who [study MBBS in the Philippines](#).

An adjacent, well-equipped laboratory high school renders academic support. Encircling the Gullas College of Medicine and the Vicente Gullas Memorial Hospital rests the College of Dentistry and Nursing, which is also an autonomous campus located in the Banilad area of Mandaue City. Formerly known as Mandaue Academy, another campus is located in downtown Cambaro, Mandaue City, and is today popularly known as The Gullas College of Medicine Mandaue.

### [Advantages of studying MBBS in UV Gullas college of medicine](#)

- On-campus accommodation.
- The university is also providing separate accommodation for boys and girls.
- Indians can experience the best accommodation as they will also have a mess facility available.
- The [UV Gullas College of Medicine fees](#) is very low compared to many other universities in the Philippines.

- UV Gullas College of Medicine is operating for 100 years in Cebu.
- It's no doubt UV Gullas is the oldest medical college in the Philippines.

UV Gullas Syllabus is based on the US pattern. Simulation training is one of the latest methodologies used in training health care personnel.

The students are provided with quality materials for meticulous learning. Besides simulation, the learners get to function in a state-of-the-art facility where work is well-structured and the environment is absolutely worry-free.

With continuous revisions of the curriculum, new ideas are imbibed by budding health care professionals every day due to which a sense of innovation is deeply ingrained into them. UV Gullas finds the most efficient and effective ways of imparting medical education at every level.

UV Gullas fees structure is very comfortable for Indian Students

Campus accommodations are provided along with food, for all students who enroll with the UV Gullas College of Medicine. Equipped with a complete range of facilities, we ensure that the students are housed in a home away from home.

Delicious dishes are served according to ethnic Indian tastes and traditions. Wi-Fi is available round-the-clock.

A huge study hall encourages students to collaborate and work better. There is separate housekeeping staff for cleaning the rooms.

At a nominal cost, laundry facilities are offered as well. Clean drinking water is made available through a water purifier equipped with RO technology.

A separate parking area for vehicles is marked for those who commute from a little farther away from their study area within the campus.

Students are provided with a highly secure and hassle-free study environment with the availability of CCTV and 24-hour security guards who keep a vigil across the campus.
